### DERBY INTEREST IS KEEN

ROUND THE WORLD AND GOVERNOR GRAY HAVE GREATEST NUMBER OF PARTISANS.

Prominent Candidates for Notable Contest at Churchill Downs May 13 Training Satisfactorily-Records of Previous Winners of Race.

Louisville, Ky., April 22.—That interest is already intense in the thirty-seventh renewal of the Kentucky Derby is attested by the fact that every morning now at both of the local tracks—Churchill Downs and Douglas Park—crowds gather to see the various candidates takes their work for the big race. The Derby is down for decision Saturday, May 13, only three weeks off, and trainers are sending their charges along daily, as no time can be wasted in fitting the three-year-olds to go the Derby route of a mile and a quarter. When not noting the work of Round the World, Colston, Silver Brush, Captain Carmody, Mud Sill, Ramazan, Exemplar and Sir Dawn, which are in training here, horsemen can be noticed eagerly scanning the daily papers for news from the other tracks of the work of entries to the race, like Governor Gray, Meridian, Labold, Beach Sand, Bell Horse, Marlborough, Tay Pay and Star O'Ryan.

They compare what they read with what they see.

from the other tracks of the work of entries to the race. like Governor Gray, Meridian, Labold, Beach Sand, Bell Horse, Marlborough, Tay Pay and Star O'Ryan.

They compare what they read with what they see, and at times discussion waxes hot over the nerits of the various candidates. The turfmen from Juarez picture Round the World leading from the flag fall to finish and winning, as she has so often done, off by herself, while the horsemen from Jacksonville see Governor Gray closing on her at the eighth pole in the stretch and beating her to the stand, thus serving her with the fate which has befallen so many favorites in this great race.

There never was a Derby run in which the owners of the various candidates were so confident of the success of their respective representatives. W. G. Yanke, trainer of Round the World, acts as though thinks he has only to go to the secretary's office and get a check for the Derby stakes of \$5,000, while they say at Lexington that J. T. Williams and his racing partners are equally sure of Governor Gray's victory. The Missouri turfman, Barney Schreiber, thinks both of these camps are counting their chickens before they are hatched, as he believes Captain Carmody has a chance to beat them both. And so it goes.

It is a marked feature of the work of these horses that all of them are training splendidly. Of course, Round the World, Governor Gray and others in the lot which have raced the past winter are really fit now for a Derby race with a little tightening up, while those that did not participate in cold weather racing are farther advanced in training this season than ever before. As a result, there will be no excuse for condition for any of the starters this season in the big race, and they will be beaten on their merits and not because of lack of work.

There has never been a meeting held in Kentucky which can approach the coming spring carnival of twenty-three days here in the general class of the contestants among the horses. It will be a great Derby. The two-year-old stakes

From almost the beginning of racing, Derby trophies have been the most sought after prizes of the turf. Though sometimes an insignificant value has been attached to such contests, as compared to other races, a halo has always enshrined the winners of such contests. The winning of such a trophy has rendered perpetual the fame of nearly every horse first under the wire in the Kentucky Derby. Frank Forrester, in his "Horses of America," published more than fifty years ago, describes a race the material for which he claims to have found in one of Homer's volumes. Forrester drew the deduction that this description applied to the world's first berby.

material for which he claims to, have found in one of Homer's volumes. Forrester drew the deduction that this description applied to the world's first Derby.

The first Derby in history was decided at Epsom. Eng., in 1780. It derived its name from Lord Derby. compiler of the conditions of the race. The first Derby winner was Diomed, which was subsequently imported to America. Both Round the World, first choice, and Governor Gray, second choice in the 1911 Kentucky Berby, trace to this great horse.

It is interesting to review past winners of the Kentucky Derby and note the achievements of many of its brilliant winners. The compilation herewith, the first of its kind, shows the turf records of the thirty-six winners of this historic race.

Hindoo, sire of Hanover, still stands as the biggest money-winning horse to figure as a Kentucky Derby winner. Ben Brush is second and Agile is third. There are others in the Derby roll of honor that would not have a place in the list of \$5,000 turf winners had they not captured this race. These embrace Fonso, His Eminence, Pink Star, Stone Street and Wintergreen. No less than sixteen winners of the Kentucky Derby have won more than \$20,000 on the turf, which illustrates that, in many cases, it has been no ordinary three-year-old that has crossed the winning line in this the greatest of all turf events in Kentucky

Leonatus is the only Kentucky Derby winner which was unbeaten as a three-year-old. That horse lost but one race, and that was when he was a kindergarten, performer. The Kentucky Derby winners which have become the greatest sires are Fonso. Hindoo, Leonatus, Buchanan, Riley, Halma, Ben Brush. Plaudit and Allan-a-Dale, Halma was the only Kentucky Derby winners with their racing records follows:

### CANADIAN TURF'S MOST EAGERLY SOUGHT PRIZE

Canadians are already looking forward with keen interest to the fifty-second running of the King's late on the opening day of the Ontario Jockey Club's spring meeting at Woodbine. May 20. This is no eldest fixture of the American turf that has been run continuously and may properly be regarded as the foremost of all Canadian turf events in sporting importance. The winning of the king's guineas deemed a high honor and a distinction well worth striving for by all Canadian turfmen. Its net value the winner in recent years has been somewhat in excess of \$3.000 and will continue to be this year, at the conditions remain unchanged. There are exactly twenty eligibles for the coming renewal of the ce and their names and other particulars, together with the conditions governing this historic event, the appended:

are appended:

The King's Plate—50 gnineas (the gift of his Majesty King George), with \$4,000 added by the Ontario Jockey Club; the first horse to receive the guineas, stakes and \$2,750; the second horse \$700, and the third \$350; the breeder of the winner to receive \$250; a sweepstakes of \$5, payable at time of entry, \$5 additional, unless declared out by May 1, and \$25 additional for starters; for three-year-olds and upward, owned, foaled, raised and trained in the Province of Ontario, that have never won a race either on the flat or across country, have never left Canada, and have never been for a period of more than one month out of this province; death of nominator does not render entry void; one mile and a quarter; a piece of plate will be presented by the club to the winner; declarations Monday, May 1; to be run on Saturday, May 20.

The Valley Farm Stable and Mr. Seagram supply, in Commola, Jane Shore and Whaup, which were second, third and fourth in last year's King's Plate, the only horses from that race that are named to go again this year. This list is numerically two stronger than a year ago, or twenty as against eighteen. Thirteen owners are represented. Mr. Davies has two nominations, Mr. Seagram three and the Valley Farm Stable five. More than half of the entries are from Toronto, but that does not necessarily suggest a Toronto winner. No Toronto owner, except Mr. Woods, has won the Plate in more than twenty years.

After careful consideration and the fact that

Round the World had no stake engagements at the

Kentucky Association meeting, W. G. Yanke, trainer

of the great filly, finally concluded not to take her

to Lexington to race before she started in the Derby.

He figures that she is thoroughly scasoned and that
all that is necessary now is to keep her in her

present condition. Horsemen had hoped that he

would give her a final trial before she is sent to the

post in the Derby, believing that she would run a

faster mile and a quarter than any other horse ever

has at the Downs. As good a trainer as II. R.

Brandt says, however, this is unnecessary. He ad
vises that a mile in about 1:45 and then in a day

or two another mile in 1:42 or 1:43, on the eve

of the race, is the thing for her. Then, be believes,

on May 13, Round the World will do that which no

other filly has ever done—win the Derby. Some

crities incline to the opinion that the filly is too

light in flesh. Those who saw her race in Mexico

take no stock in this objection, as the daughter of

Lackford raced there at her best when not looking

so robust as she looks now. Round the World prob
ably has more speed than any three-year-old that

has ever faced the barrier in the Perby. Even her

delitators admit this, They only question her

ability to go one mile and a quarter. Those who

saw her win the Juarez Derby at a mile and an

eighth do not doubt that she can travel the route.

Sie is from a family of stout horses, many of

which lacked her dazzling speed, but were good long
distance performers.

Col. M. J. Winn, who returned this week from a

trip to the Pacific coast and British Columbia

following the termination of the 110-days race meet
ing at Juarez, is gratified over the prospect for a

magnificent Derby and a glorious season of racing

here. Last fall he planned many improvements at

the Downs

### OUTSIDERS SCORE AT JAMESTOWN.

Numerous Scratches Follow Return of Heavy Track Conditions-James McLaughlin Saddles Winner.

Norfolk, Va., April 22.—This section is certainly having its share of wet weather this spring. It trained again last night and the going at the Jamestown Jockey Club's course again became heavy, with the usual result, numerous scratches. The withdrawals ruined what promised to be an attract two program. The card was made up of seven races, with the Berkley purse, a dash of three-quarters of a mile and a race that called for gentlemen riders as the feature. In the gentlemen riders race Monsoon drew away into a long lead after they had gone a quarter and at the finish led Jim by almost a dozen lengths. Jim beat Monsoon about the same distance here last fall, so it was a case of turn about. With Sea Cliff, Hoffman, Compton and Alfred the Great withdrawn from the Berkley purse, Vreeland looked to be in a soft spot and 2 to 5 was eagerly accepted about him by the big operators. Vreeland made a runaway affair of the race, taking the lead after they had gone an eighth and winning under restraint by eight lengths.

James McLaughlin sent his first winner of the season to the post when the two-year-old filty Mollie Kearney cantered home half a dozen lengths in advance of the Belmont colt. Tipsand, in the fifth race. She was one of the outsiders in the betting, as were also Phil Mohr and Lawton Wiggins, winners of the sixth and seventh races.

Former jockey Willie Martin purchased Agnar from William Carmody for the Beverwyck Stable this afternoon for \$1.500.

Jockey Roscoe Troxler will leave for Lexington next week. He has been engaged by Catesby Woodford to ride one of his eligibles in the Breeders' Futurity to be run during the Lexington spring meeting.

J. Simon Healy and jockey T. Davies were visitors at the Jamestown course this afternoon. Trainer Healy reports that the two-year-olds by Aceronaut that he is training for Captain Cassatt give promise of developing into useful racers. He will ship his stable to Louisville at the conclusion of the Pimlico meeting.

meeting.
Fred W. Gerhardy received a wire from Secretary
Fraser of the Ontario Jockey Club to the effect that
the stall rent on the Canadian courses will be the
same as last season, \$1 for each meeting. Some one
circulated the report that a charge of \$10 would be
made for each stall occupied.

Capt. P. M. Walker has been asked to let his good apprentice, Byrne, go to Lexington to ride Joe Knight in the Breeders' Futurity and also Governor Gray in the Kentucky Berby. Byrne had the mount on the latter when he won the Berby at Moncrief Park. If a deal is not consummated for Byrne to go to England, he will probably ride both of these korses in Kentucky.

### MAKING STUDY OF PARI-MUTUELS

Cincinnati, O., April 22.—W. P. Fraser, secretary the Ontario Jockey Club, has been here for a few of the Ontario Jockey Club, has been here for a few days gathering facts and figures relating to parimutual system of betting. This style of betting will be employed at Toronto when the spring meeting begins May 20. Mr. Fraser, while here, gathered all the details of the system and secured specimens of all the stationery and tickets used, and also the plans for the arrangement of offices, blackboards and other things that are part of the system. John Hachmeister, general manager of the Latonia track, supplied the information and Mr. Fraser has the subject well in hand.

### COLORADO BILL FAILS BY ONE VOTE.

Denver, Col., April 22.—Hopes of the followers of racing that legislative action would sanction the sport in Colorado with betting were killed today when the senate by a vote of 23 to 11 failed to pass the Cornforth racing bill over Governor Shafroth's voto. The measure lacked only one vote of being passed over the veto. The bill legalizes race meetings by regularly incorporated organizations with the pari-mutual system of betting.

### LEXINGTON'S PROGRAM OUT

CONDITIONS ESPECIALLY FRAMED TO SUIT THE RACING MATERIAL AVAILABLE.

General Lengthening of the Distances Provided As One of the Striking Features-Seven Stakes to Be Run During the Meeting.

Lexington, Ky., April 22.—The program book for the Kentucky Association's spring meeting of elevendays, which will open next Saturday, came from the printer Thursday afternoon and has been distributed to horsemen at the local track and in Louisville. It has met with general approval and Racing Secretary Will Shelley, who framed the conditions of the sixty-six races to be decided during the meeting, has been generously complimented. The strength of the program lies in the fact that the conditions were written with a knowledge of the horses that will make the racing, and they should, therefore, afford keen contests. There are thirty-two races for three-year-olds and upward; twenty-two for two-year-olds exclusively, five of them being for coits and geldings, four for filles and threen for colts, fillies and geldings; eight for three-year-olds exclusively and four for four-year-olds and upward.

In keeping with the spirit of the times and follow.

two for two-year-olds exclusively, five of them being for coits and geldings, four for fillies and thriteen for coits, fillies and geldings; eight for three-year-olds exclusively and four for four-year-olds and upward.

In keeping with the spirit of the times and following out the suggestions of the Kentucky State Racing Commission, there is a perceptible increase in the distances. Many of the programs in former years were burdened with races under one mile, giving precedence and preference to the short-distance sprinters and affording little opportunity for the display of stamina. This spring there are twenty-six races at one mile or over, and three of the mile races are for three-year-olds exclusively. Of the twenty-two races for two-year-olds five are at half a mile, fourteen at four and a half furlongs and three at five furlongs. It has been anumber of years since the juveniles have been asked to go that far in the spring here. There are two races at five and a half furlongs, sixteen at six furlongs, nine at one mile, six at one mile and atwenty yards, one at one mile and seventy yards, five at one mile and a sixteenth, three at one mile and an eighth and two at one mile and a quarter.

Seven stake races are to be run during the meeting, the first of which will be the Phoenix Hotel Handicap, estimated value \$1,200, for three-year-olds and over, one mile and a sixteenth, to be run on the opening day, with the following eligible: Joe Morris, Antenor, Mindinette, Bell Horse, Holmet, Love-Not. Angelus, Harrigan, Bettie Sue, Boola Boola, Kootenay, Starbottle, Bonnie Kelso, Princelike, Colston, Princess Callaway, Mary Bovis, Countless, Wing Ting, Oracle, Colonel Hogan, Cherryola, Maezie, Exemplar, Foxy Mary, Royal Report, Golden Egg, Desconnets, County Tax, Polls, Console, Star Blue, Bertis, Any Port, Round the World and Jupiter Joe.

The next will be the Raceland Stakes, estimated value \$1,400, for two-year-old colts and geldings, four and a half furlongs, to be run the fifth day. Thursday, Mary 4, to which the

Sister Florence, Mandy Zane, Lady Hughes, Coo, Sauce, Beautiful, Syringa, and the unnamed McGee—The Lady filly.

The Camden Handicap, estimated value \$2,500, for three-year-olds and upward, one mile and a quarter, will be the feature for the seventh day, Saturday, May 6, and it will be one of the best races of the meeting, the eligibles and their weights being as follows: Bonnie Kelso, 127: The Turk, 126; Starbottle, 120; Hanbridge, 118; Wintergreen, 115; Console, 115; Donau, 112; Joe Morris, 110; Boofa Boola, 109; Cherryola, 108; Governor Gray, 106; Helmet, 105; Geren Seal, 105; Mercidian, 104; Messenger Boy, 103; Colston, 102; Longhand, 100; The Royal Prince, 98; Bell Horse, 96; Marlborough, 96, and Idleweiss, 95.

103; Colston, 102; Longhand, 100; The Royal Prince, 98; Bell Horse, 96; Marthorough, 96, and Idlewelss, 95.

The Breeders' Futurity, estimated value \$7,000, for two-year-olds, half a mile, will be the feature of the ninth day, Tuesday, May 9, and it will be the richest stake of the year in Kentucky. It should produce a brilliant contest, since the following are clicible; May Holland, Catula, Bachelor Girl, Wheel-wright, Practorian, Agora, Tonga, Mycenae, Joe Knight, Ocean Blue, Aimee Early, Tommie Thompson, Floral Day, De Cesarion, Pinkota, Bonanza, Peridot, Fighting Hope, Bredwell, El Toro, Limousine, Faranz, Ada Bay, King Dixon, Free Lance, Felix, Pamelia, Berenice, Roberta S., Chartier, True Blue, Phil K., Miss Vassar, Ruby H., Foreton, Stamps, Tom Ott, Nancy Grater, Sun Kist, Little Marian, Sadle Shapiro, Dilatory, Robert, Detour, Coo, Eagle Thistle, King Broomstick, Joe Diebold, Cynosure, Beautiful, Carlton Club, Pink and Black, First Wind, Walter Scott, Zarion, Curtain Call, the unnamed Star Shoot—Lady Elite, Broomstick—Thirty-Third and Voter—Bracegirdle colts, and the Dick Welles—Glena filly.

The Blue Grass Stakes, estimated value \$3,500, for three-year-olds exclusively, one mile and an eighth, will be run on May 10, and will come in the nature of a preliminary to the Kentucky Derby, the following being eligible: Governor Gray, Captain Carmody, Meridian, Sebago, Mud Sill, Golden Egg, Kootenay, St. Aloysius, Jabot, Exemplar, Bertis and Any Port.

### TRAINING GALLOPS AT CHURCHILL DOWNS.

Louisville, Ky., April 22.—Several Kentucky Derby candidates in training at Churchill Downs and Douglas Park worked today. The Derby favorite, Round the World, went three-quarters in 1:19 under double wraps. She covered the first quarter in 25 and the first half mile in 51½. Exemplar, George J. Long's Derby candidate, went a mile in 1:48½, cantering all the way. The fractionals were: 13, 26½, 39½, 52½, 1:06, 1:19½ and 1:34. This cott seems to be improving every day. W. H. Fizer's Derby candidate, Mud Sill, went a mile in 1:46½ and pulled up a mile and an eighth in 1:59½. He ran his first half mile in 52½. Angust Belmont, chairman of the Jockey Club, today applied to the secretary of the New Louisville Jockey Club for a program book. This is taken to indicate that the noted eastern turfman will ship a string of his horses to the Downs this spring.

A new recruit to racing this season is F. Kelly of Joliet, Ill. He will ship a string of horses here in a few days, headed by the highly-tried two-year-olds Ada Bay, Mimis and Favance. Mr. Kelly figured as a turfman in the heyday of racing around Chicago tracks. Jiminez was one of the best known of the horses that raced in his colors.

The horses of A. B. Spreckels which arrived from Oakland this week, are collectively the best lot in appearance of any shipped here from the far west since the days when the late "Lucky" Baldwin raced his noted stable here. Among the Spreckels youngsters that are credited with having been highly tried are the colts Millo, Horus, Narfiance, Balder and the fillies Idun and Zimri.

The horses that trainer Fred Luzader will send to Lexington to race in J. R. Wainwright's colors he will intrust to his brother, Al Luzader, and jockey N. Kennedy. He will go up at intervals to see them run, but his time is too much occupied with the other members of the stable to leave Churchill Downs for any length of time before the spring meeting begins here. The horses he will send to Lexington are ready to race. Mr. Wainwright is much improved in health by a sojourn at West Baden and will be able to attend the coming meeting there he will come to Louisville. Trance, Al Muller, Royal Capitive, Sigurd and Intrinsic, the stars in this stable, are all doing well at the Downs, but none of these cracks are among the horses that trainer Juzader will ship to Lexington.

Al Kirby received a letter from Howard Oots asking him to secure stall room for seven horses here. Mr. Kirby secured quarters for him at Douglas Park. Every stall is now either fi

### HILDRETH HORSES GOING TO PIMLICO.

New York, April 22.—Twenty-six horses, probably of the highest class, taken collectively, that ever raced over the old Pimilico race course, will be shipped from Sheepshead Bay on Monday next. Samuel C. Hildreth, leading owner of last season, has arranged for three palace horse cars to convey his entire stable to the Baltimore track. They will make up part of a special train of six cars to be run from the Long Island tracks direct to Arlington. The shipment will include, besides Mr. Hildreth's horses, those of Richard T. Wilson, R. A. Watkins and other owners of smaller strings.

Mr. Hildreth, always a stickler for the best in the matter of accommodations for his horses, will have regulation box stalls built in his cars.

Novelty, winner of the Futurity. Saratoga Special and Hopeful Stakes, is in excellent condition. It is a sure thing he will add more laurels to his list early in the season.

Fitz Herbert, the champion long-distance horse of the day, never was better. Track watchers at the course of the Coney Island Jockey Club are to a man convinced he is capable of duplicating his former brilliant form.

Angust Belmont's Priscillian, which was handled by Mr. Hildreth last year, is going great guns in his trials. A fortnight ago he galloped five-eighths in, 1:02½. He is a horse that comes to hand early. Restigouche, King James, Zeus, Hampton Court, Montgomery, Firestone, Kormak, Fayette, Joe Madden and Eddie Dugan have had a careful preparation and will be ready to race on the opening day at Pimilico.

Pimlico.
William Karrick, trainer for Harry K, Knapp, steward of the Jockey Club; Francis Hitchcock and Joseph E. Widener will ship twenty-one horses from Sheepshead Bay to Baltimore on Wednesday next.

### ROUND THE WORLD FOR LEXINGTON.

Kentucky Derby Favorite to Start in Phoenix Hotel Handicap on Opening Day.

Handicap on Opening Day.

Lexington, Ky., April 22.—With the opening of the Kentucky Association spring meeting only six days away, trainers at the local course could not wait longer for improved weather and track conditions, and in a chilly atmosphere this morning scores of horses were churning mud, all galloping around the "dogs." As might be expected under the circumstances there were few moves that appeared out of the ordinary. There was, however, one sparkling performance. Ruth Jackson, a two-year-old half-sister to Bat Masterson, worked a half mile in 51½, fairly revelling in the going. This filly is by Cesarion—Vanessa, is in the string of C. E. Patterson and was twice placed at Tampa. Joe Knight, one of the choices for the Breeders' Futurity, worked three-eighths in 40, impressively. Martin Doyle's Kentucky Derby candidate, St. Aloysius, went three-quarters in 1:25. Joe Morris, R. H. Anderson's Camden Handicap candidate, worked a mile in 1:54. These were the best moves at the distances.

Round the World will race here. W. G. Yanke called up Superintendent Ross from Louisville this morning and told him to prepare three stalls for him, saying that he will arrive Tuesday with Round the World and two others to join ten horses belonging to Col. W. E. Applegate in the stable of Charles T. Patterson. He further said that Round the World and two others to join ten horses belonging to Col. W. E. Applegate in the stable of Charles T. Patterson. with Lew Marion, former trainer of the St. James. Stable, has expired and he will ride here as a free lance.

Secretary Shelley left today for Louisville to see horsemen at Churchill Downs and Douglas Park tomorrow to list up horses that are coming from the Falls City next week. There will be a special horse train out of Louisville Tuesday.

Tom Brown, who has been schooling two-year-olds here, reports that the youngsters have shown unusual aptness at the barrier. A number of real good juveniles will show up at the meeting.

Edward Corrigan will arrive from Florida Tuesday with four horses.

Col. Jack Chinn reports a sister to A. J. Small among the foals at Leonatus Farm. Eliza Belle (dam of Darknight) has a bay colt by Meelick at the St. James Stud.

Secretary Bidwell of the Kentucky State Racing Commission will be at the track every morning next week to receive applications from trainers and jockeys for licenses. The commission will meet next Saturday morning to grant licenses.

An indictment charging Thomas F. Dolan with the murder of Alderman Patrick Mooney was returned by the grand jury this morning. Dolan has asked E. R. Bradley for assistance in his trouble.

### NOTES OF THE TURE.

William Walker's Servicence is showing a decided artiality for second money at Norfolk. He has tade six starts during the meeting and has finished cond each time.

J. B. Joel's Dean Swift ran in the City and Suburban Handicap at Epsom the past week as usual. This horse has now been a contender in the City and Suburban for eight consecutive years. Twice he has won, twice he was second and twice third. This year's running found him among the also rans for the second time.

### PENSACOLA RACING TO CONTINUE.

Pensacola, Fla., April 22.—This afternoon announcement was made that racing would be continued here until April 29, the full period allowed by the state law. The reduced operating expenses and the increased speculation during the last few days contributed to the decision to prolong the racing. The ring expects, in view of the profits derived during the last few days, to retrieve former losses. Many look upon the extension as ill-advised, considering the situation at Tallahassee.

E. L. Fitzgerald's string of racers consisting of Fundamental. Tom Toohey, Clysmic, Locust Bud and Cap Nelson were shipped to Louisville this afternoon. Edward Corrigan's, Explicit and the horses of J. W. Tate were sent yesterday.

## Mathematical Handicappers!

Selections made at all times upon careful calcula-tion, which is ever the foundation of successful ousiness.

All choices will be filed with Daily Racing Form. In arriving at our system of handicapping we have ound it necessary to divide wagers into five classes. For convenience to patrons as well as in advertising they will be designated as follows:

Class "A.," Class "B.," Class "C.," Class "D.,"
Class "E." With three or four tracks in operation,
Classes "B.," "C." and "E." will average each
about 2 bets per day. Class "D." about 3 and Class
"A." about 5.

TERMS 25 per cent of the net winnings on a Ten Dollar (\$10.00) Flat Bet.

BASIS for settlements, Closing Odds, Daily Racing Form. Money due us to be wired Monday of each week, less transfer charges. Address

### Racing Handicappers, NEW GALT HOUSE, LOUISVILLE, KY.

N. B.—Write name and address clearly. Specify which "Class" is desired. If all five, so order. Terms of settlement will be the same for one or more "Classes."

## HONEST BETTORS: GREAT CHANCE

Beginning Saturday, April 29, I will have connections with one of the shrewdest trainers and owners on the turf today. This man is already on the ground and his information will be gilt-edged. No money in advance. Send your name and permanent address and agree to bet \$2 straight on the horse I send and remit the winnings by postal order next day is all I ask. I have already received word on one for the first week which will be at a liberal price. Send your name early and don't miss this grand opportunity.

### "WHAT THEY SAY."

"THE Sollowing Letter," just ree'd, explains itself: "Dear Mr. Sutton—I gladdy enclose M. O. \$7.50 to pay you the balance I owe for your new system, and I am finding it "A Winner" and entirely satisfactory. I tried a dozen other systems before I got yours, and I lost money on all of them, and I think you ought to get \$25 for your system." My "Winner Picker System" is for "Handbook Players" who want to "Win," and it is played strictly on a "Flat Bet" (no progression). It's a system that you can understand instantly and no time at all is required to pick the right play every day from the "Entries." Handbook Players who are following my "Winner Picker System" are "Getting the Money." Upon rec't of M. O. \$2.50 as First Payment, my "Complete Winner Picker System" will be prompily forwarded, including my "New Daily One Best Bet Plan" (I will trust you for the balance of \$7.50 until you are fully satisfied. You can play this system "Successfully" with as little capital as \$20. "No attention" to letters from anyone unless "First Payment" of \$2.50 is enclosed. Address

in my advertisement I called attention to inside information that I was able to furnish through unequaled sources on a profit-sharing basis. Unfortunately I find that the percentage of people who lived up to the agreement is too small to warrant a continuance on this basis on account of the high expense. My arrangements are complete for "getaway" day at Norfolk, Wednesday next, and on the leading horseshoer at the track, I will be put in touch with as much of a prepared good thing as is possible in racing. From what I understand, the odds will be good. I advise one horse only and will prove again to you the value of honest methods, coupled with advice that comes from the best connections. Have the same bet on both horses. Terms for both Five Dollars, Remit by mail or special delivery or telegraph, and be convinced of a square deal.
